

NEIL K. HARPSTER, V.M.D.
Diplomate ACVIM (Cardiology)
Director, Cardiology Department

“As an Angell veterinarian for 30 years, I enjoy working with our strong staff in a constant effort to provide the best possible care for our patients, and a sound communication channel with their owners and referring veterinarians.”

DR. NEIL HARPSTER specializes in examining and evaluating patients with cardiac and respiratory disorders, both in an outpatient and hospital setting. Much of his work focuses on performing diagnostic, interventional and surgical procedures on patients with a variety of congenital and acquired cardiac and respiratory disorders. Dr. Harpster also helps to train cardiology residents.
